required to attempt any 4 questions. Section B contains short
case study / application based one question which is compulsory.
All questions are carrying equal marks.*

Use of following supporting material is permitted during examination.
(Mentioned in form No. 205)

SECTION - A

- 1 "Finance for strategic decisions combine the knowledge of financial management, strategic management, economic and business environment to forecast and manage the future of enterprise." Explain.
- 2 Discuss the rôle and functions of financial intermediaries in India.
- 3 Give an overview of Indian financial system;
- 4 No method or valuation of shares by itself is perfect. A combination of different method will give a proper valuation of shares. Discuss.

- 5 Write short notes on :
- (i) REPO
 - (ii) TB
 - (iii) MVA
- 6 Discuss the impact of world recession on Indian financial sectors and economy. What are the steps taken by government to overcome it ?

SECTION - B

- 1 The Alpha Manufactures Ltd. (AML) enters in to a factoring arrangement with the Alpha Factors Ltd. (AFL). According to the agreement, the AFL would pay in advance 80% of the value of the factored receivable at 25% interest compounded quarterly, the balance retained as factor reserve to disputes and deductions. It also provides for guaranteed payment after 3 months from the date of purchase of the receivables. The factoring commission would be 2% of the value of factored receivables. It is stipulated that interest and commission would be collected in advance. Assuming on advance payment of Rs. 42 lakh, compute :
- (a) Advance payable to AML.
 - (b) Effective cost of funds, and
 - (c) Effective cost of funds on the assumption that interest is collected in arrear while the commission is collected in advance.
